

Correlation Directory Alternative Education Core Subject Assignments

NAC 391.392

2. Except as limited by subsection 3, a person who holds an endorsement to teach a program of alternative education may:
 - a) Provide instruction in any recognized field of teaching for which he holds a valid endorsement; and
 - b) Teach courses outside his area of endorsement.
3. A person who holds an endorsement to teach a program of alternative education initially issued on or after **July 1, 2005**, may use that endorsement to provide instruction and teach as authorized by subsection 2 **only** in an adult high school program as defined in subsection 2 of NAC 389.690
4. An endorsement to teach a program of alternative education is not required to teach a program of alternative education.

If a person is contracted to teach the following Alternative Education assignments in a K-12 setting, he must hold the following endorsements: Core assignments are in red
